HOME-WORK:

If you really cannot get to all of these, don't worry about it.

You can view a fellow student's homework in class to follow along OR, if you know someone else who's also taking the class, you can divvy-up the homework and each do half.

A. With any worsted weight yarn and size 8 needles or appropriate size to obtain medium tension, cast on about 24 stitches.

1. work in k1, p1 rib for 2" or so.
2. work in stockinette for 2" or so.
3. work in any simple cross cable or rope cable pattern for 2" or so.
4. work sts in any eyelet/lace pattern for 2" or so.
5. work in any 2-color-pattern for 2" or so.
6. work in garter st for 2" or so, bind off.

B. With any fingering weight yarn and size 2 needles (or any size to get about 7 to 8 sts to the inch), cast on 24 sts and work in stockinette for about 3", bind off.

C. With any sport weight yarn and size 5 needles (or any size to get about 5 to 6 sts to the inch), cast on 20 sts and work in stockinette for about 3", bind off.

D. With any chunky or bulky weight yarn and size 10 needles (or any size to get about 3 to 4 sts to the inch), cast on 15 sts and work in stockinette for about 3", bind off.

E. With any worsted weight yarn, cast on 16 stitches and work in stockinette for about 2" with size 5 needles, 2" with size 8 needles, then 2" with size 10 1/2 needles, bind off.

Please bring in the following:

1. Graph paper, maybe 8 or 10 squares to the inch.
2. Gauged or proportioned knitter's grid, any gauge.
3. Pencils (preferably in several colors) and eraser.
4. Pocket calculator.
5. Any issue of Vogue Knitting before Spring 1991 but after '84. Again, if you can't find one, I'm sure one of your fellow students will share. (Also, *Nautical Yarn* has several issues that may be shared during class.)
